

The New Zealand Track & Field Championships will be held in Dunedin from **Friday 4 March to Sunday 6 March**. This is a qualifying event for the Rio Olympic Games. It's a great opportunity to see some of New Zealand's top athletes in action. Valerie Adams has already confirmed her attendance!

Athletics Otago is looking for **volunteers** to help out with the event. If you're interested, go to www.athleticsotago.co.nz; click on the New Zealand Track and Field Champs under Events, then follow the link to the application form. From there, click to volunteer as an official; select the volunteer option and fill out your details.

Alternatively you can enjoy the event as a **spectator**.
